Public Program EOI Info Pack: April - Dec 2021

Cool Change Contemporary acknowledges that the lands we operate on are the traditional lands of the Whadjuk Noongar Bibbulmun people, custodians of Noongar Bibbulmun Boodjar. We stand as allies in the national debate regarding Indigenous Sovereignty. Always was, always will be Aboriginal land.

As an Artist-Run Initiative (ARI), Cool Change creates a platform for emerging and experimental art to make thoughtful conversation and enquiry. We seek to support, cultivate and facilitate *with* community activity to advance the regard of and engagement in living arts practice. Our multi-gallery venue hosts a monthly program of exhibitions supported by regular performances, screenings, residencies, workshops and events within the historic Bon Marche Arcade building in Perth's CBD.

Cool Change has an ongoing EOI process for artists, curators, producers and collectives across art forms to facilitate public programs. We welcome proposals encompassing critically engaged, experimental and resolved projects, from practitioners at all stages of practice.

EOIs will receive a response from Cool Change team members within two weeks of submission.

Cool Change Contemporary is located at: Level 1, Bon Marche Arcade, 74 - 84 Barrack Street, Perth
